MAY 19, 2009

Dear Supervisors:

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

**APPROVE AGREEMENT WITH EARTH ANGEL PRODUCTIONS, INC.  
REGARDING REALITY TELEVISION SERIES  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

Earth Angel Productions, Inc. (Producer) seeks to develop and produce a reality, non-scripted half-hour episode television series (Series) focusing on the Taskforce for Regional Auto Theft Prevention Unit (TRAP). TRAP is a multi-jurisdictional, multi-agency, law enforcement task force created primarily to investigate, prosecute, and deter vehicle theft crimes.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and instruct the Chairman of the Board of Supervisors to sign an Access and License Agreement (Agreement) authorizing the Producer to develop and produce a Series regarding the Los Angeles County Sheriff's Department's (Department) participation in TRAP.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

This Series titled "Bait Car" will be produced by the Producer, who intends to film the activities of TRAP. The Department is a participating law enforcement agency in TRAP and employs detectives and additional personnel to work in connection with TRAP. The Department is the lead agency in TRAP, acting as the executive director of the task force. The proposed Series will depict those personnel and facilities employed exclusively by the Department. Any filming of other participating agencies shall be

*A Tradition of Service*

subject to the Producer obtaining all necessary agreements, waivers, and releases from those agencies. The Producer will also use the Department's intellectual property in the program, such as the star, the uniform patch, "A Tradition of Service" slogan, and the name, "Los Angeles County Sheriff's Department."

The Producer, as part of the Agreement, may donate vehicles to the County for use in this Series. Donated vehicles will be identified at a later date and acceptance of those vehicles will be documented on separate correspondence for your Board's approval.

This Agreement provides benefits for the County of Los Angeles (County), including compensation, and the ability to control the use of the Department's intellectual property. This Agreement will ensure that the intellectual property retains its integrity and strength. The Series will showcase important work performed by the Department.

#### Implementation of Strategic Plan Goals

Approval of the proposed Agreement would support the County's Strategic Plan, Goal 1, Operational Effectiveness, by strengthening the County's fiscal capacity, managing the resources we have effectively, and increasing public-private partnerships.

#### **FISCAL IMPACT/FINANCING**

The Agreement provides the following economic terms:

**Option and Series Fees:** The Producer has an initial option period of 6 months. If the Producer elects to exercise its option to license the rights and obtain the access set forth in the Agreement, the Producer will pay the County 5 percent of the license fee herein. The license fee shall be at a minimum of \$7,500 per episode.

**Profit Participation:** The County shall be entitled to receive 10 percent of 100 percent of the Producer's profit participation in the Series.

**Clearance Expenses:** Legal fees incurred by the County's outside counsel in connection with review of the Series will be included as a line item in the budget for the Series. Such fees shall be payable by the Producer to the County up to \$10,000.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Significant legal terms of the Agreement include the following:

**Rights:** The County will grant the Producer a non-exclusive license to film and record certain property, intellectual property, and/or trademarks owned/controlled by the County for use in the Series.

The County will provide access to Department personnel for the purpose of filming and recording a Series depicting the activities of the men and women of the Department at TRAP. No custody operations shall be included, and the Department's techniques shall not be filmed or depicted with any detail that would give away sensitive or vital law enforcement techniques. The television rights, which will be granted to the Producer, includes the right to exhibit the Series on free, pay, or subscription television. The grant of rights specifically prohibits any merchandising rights in the property. In the event any person employed by the Producer pursuant to the Agreement is a member of any union or entertainment guild, the Producer agrees to become a signatory to the union or guild and comply with the provisions of the applicable bargaining Agreement for purposes of producing the Special.

Security Controls: All access to the Department's personnel, facilities, and investigations are subject to prior approval and sole and absolute discretion of the Department. The Department will allow the Producer to observe Department employees performing their usual duties (subject to the employee's consent and execution of appropriate releases), provided that recording does not interfere, whatsoever, with the performance of the duties of Department personnel. The Producer is required to comply with instructions of Department personnel. The Department has the right to prohibit any employee or agent of the Producer from filming or participating in the production and limit the number of employees. The Producer also agrees not to air or distribute any of the film until any associated criminal case has been completed or identification of criminals and officers are blurred, unless the Producer receives prior written permission from the District Attorney's Office.

Privacy Controls: The Producer is solely responsible for and must obtain consent, release, and permission from all non-County employees to be interviewed, utilized, or portrayed in the production, and agree that County employees will not be involved in obtaining any form of consent from non-County employees. The Producer indemnifies the County against all expenses associated with any claims related to failure to obtain such releases.

The Producer is prohibited from accompanying, or requesting to accompany deputies into areas that are not accessible to the public, including areas where deputies gain access by virtue of their authority as peace officers, including homes, ambulances, private businesses, or private dwellings. Violation of this prohibition is cause for immediate termination of the contract.

Creative Controls: The Department will be provided with copies of videotapes of the program at least 15 days before the program is scheduled to broadcast. The County will have the sole discretion to require the Producer to edit, revise, or eliminate sensitive, privileged, and confidential information, and information which may increase the risk of liability to the County or may be in violation of any law or violate any

individual's or County employee's rights. The Department will have the sole discretion to require the Producer to edit, revise, or delete any scenes, which the County determines inaccurately depicts the Department or its employees. The Producer agrees not to derogatorily depict the County, the Department, or their employees, officers, and agents. In order to preserve the strength of the intellectual property and prevent its denigration or tarnishment, the Producer will use the intellectual property in accordance with the Department's guidelines.

Cost Controls: The Producer will create, develop, and film the program at no cost to the County. If any costs (i.e., use of County facility) are incurred by the County, including specifically costs of consumables, the Producer will pay the County the appropriate fees. The Producer is prohibited from requiring or requesting Department employees from performing any reconstructed scene. However, off-duty Department employees may provide verbal descriptions of the scenes subject to appropriate releases. Any technical or factual advice provided to the Producer by Department employees, except where provided as a subject of the film, must be done on personal time. A technical and factual advisor will be assigned with regard to use of the Department's property (i.e., badge, logos). The Department's technical advisor is an existing deputy position stationed at Sheriff's Headquarters Bureau, assigned to the Film and Media Section, who is responsible for overseeing all ongoing Department film and media projects.

### **CONTRACTING PROCESS**

As the proposed Agreement does not constitute a contract for services or involve the purchase of goods or commodities, the customary Board-mandated provisions required in such an agreement are not necessary in this instance.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The Agreement will have no direct or significant impact on current services. The Series will be developed and made at no cost to the County. Successful television programming is anticipated to have a positive impact on the morale of County employees, particularly those in the Department, and may positively affect the Department's ongoing recruitment efforts.

The Honorable Board of Supervisors

This agreement dated as of April 6, 2009 ("Agreement") is entered into between the County of Los Angeles, a public government agency having a principal place of business at 4700 Ramona Boulevard, Monterey Park, California 91754 (hereinafter referred to as "County") and Earth Angel Productions, Inc., a California corporation having a principal place of business at 4000 Warner Boulevard, Burbank, CA 91522 (hereinafter referred to as "Producer"). This Agreement shall be effective upon the later of: (i) full execution of this Agreement and (ii) the date the Agreement is approved and executed by the County of Los Angeles Board of Supervisors ("Board of Supervisors") hereinafter referred to as the "Effective Date."

This Agreement is entered into upon the following set of facts:

### RECITALS

1. The County maintains the Los Angeles County Sheriff's Department ("LASD"), one of the largest, most sophisticated and highly-regarded law enforcement agencies in the world.
2. Producer is interested in developing and producing a reality, non-scripted half hour (1/2) hour television series currently entitled "Bait Car" for exhibition on pay or free television and/or cable as set forth in paragraph 1(a) below. The initial television episode ("Episode") and any additional Episodes produced pursuant to this Agreement shall be collectively referred to as the "Series."
3. Taskforce for Regional Auto theft Prevention unit ("TRAP") is a multi-jurisdictional, multi agency law enforcement task force to investigate, prosecute and deter vehicle theft, increase the recovery rate of stolen vehicles, to identify trends and patterns in vehicle theft and to provide training and expertise to participating agencies countrywide. The LASD is a participating agency and thus employs and engages detectives and other personnel to work in connection with TRAP. Additionally, TRAP is currently under the leadership of the LASD and Sheriff Leroy Baca. The Series shall depict those personnel and facilities employed exclusively by the LASD and used in connection with ("TRAP"). Subject to Producer obtaining all necessary releases, the Series may also depict other third party participating agencies in TRAP and their personnel and facilities (collectively "Third Party TRAP Agencies"). The LASD personnel and facilities used in connection with TRAP which will be depicted in the Series shall hereinafter be referred to as the "LASD TRAP Unit."
4. In order to develop and produce the Series, Producer is seeking (i) access (the "Access Rights") on a non-exclusive basis to the LASD TRAP Unit as more specifically set forth in Paragraph 4 below and (ii) a non-exclusive license ("License") to film and record certain property, intellectual property, including but not limited to,

1076985

trademarks owned and/or controlled by the County as set forth in Exhibit A attached to this Agreement and incorporated into this Agreement by this reference (collectively the "Property") for use in the Series and promotional, publicity and advertising for the Series, only. The Access Rights and the License are sometimes referred to collectively in this Agreement as the "Rights." For the avoidance of doubt, the County grants no merchandising rights in the Property.

5. County has developed and created rights in the Property and has secured copyright, trademark and service mark registrations in the United States for some of the items listed as Property on Exhibit A. Exhibit A is not an exhaustive list of all property, intellectual property including or trademarks owned and/or controlled by the County. County has and will continue to police, monitor, and regulate the use of its Property to retain the integrity and strength of its Property and to ensure the favorable and positive identification of the Property and County and the LASD, whether or not such Property has been registered.

6. County believes that a high quality television production such as contemplated by Producer under this Agreement can serve to further enhance its image and to promote the LASD's core values (hereinafter referred to as the "Core Values") which are attached to this Agreement as Exhibit B and incorporated into this Agreement by this reference.

7. Producer believes it would be to its advantage to facilitate the production of a high quality, credible television series portraying the LASD TRAP Unit.

8. County would like to grant the Access Rights and the License to the Property to Producer on a non-exclusive basis in exchange for compensation and the other promises contained in this Agreement; and

For good and valuable consideration and in further consideration of the mutual promises set forth in this Agreement, the parties agree as follows:

The first season shall be deemed to commence on the first day of principal photography of the pilot/presentation and/or first episode of the Series and continue thereafter for a period of one (1) year ("First Season") but in no event shall Producer produce more than

twenty (20) episodes in the First Season without the prior written approval of County. Upon written notice by Producer, the Option will be extended for up to sixty (60) days during any period during which Producer is in substantial negotiations with a third party for a buyer of the Series ("Buyer Agreement") and/or to document the Buyer Agreement. Prior to the expiration of the Option Period, Producer will provide the County with written notice of any pending negotiations with a third party for a Buyer Agreement.

(b) Prior to the expiration of the Option Period, Producer may elect, in its sole discretion to exercise the Option for the First Season upon written notice to the County and by payment to County of the amounts set forth in paragraph 2 below pursuant to the schedule set forth in paragraph 2. At such time, Producer shall provide LASD with written notice of the tentative production schedule for the First Season. The second season of the Series or any subsequent season thereafter, if approved, will commence on the expiration of the immediately preceding season and continue thereafter for a period of one (1) year, but in no event shall Producer produce more than twenty (20) episodes per applicable season. Producer shall provide LASD with the production schedule for each subsequent season of the Series, if any, no later than thirty (30) days prior to the commencement of production of the applicable season.

(d) Notwithstanding anything contained herein in this Agreement to the contrary, in the event Producer seeks approval for the production of a subsequent season of the Series from the LASD and the Board of Supervisors and the LASD and/or the Board of Supervisors subsequently denies such request, in their sole discretion, County agrees not to submit an agreement to the Board of Supervisors between the County and a third party which grants access to TRAP for the production of a reality television series to be based solely on TRAP for a period of six (6) months from the date Producer's written notice requesting the production of a subsequent season of the Series was denied by the LASD or the Board of Supervisors, whichever date is later.

Notwithstanding anything contained in this Agreement to the contrary, County shall not be prohibited from (i) submitting to the Board of Supervisors an agreement with a third party which grants access to any third party to film and/or record a reality television series which may on occasion depict officers, locations, facilities, training and/or other investigations of TRAP and/or any of the units contained within TRAP or (ii) contributing to, or participating in, any local, national or international news items and/or documentaries for television or cable news productions regarding TRAP and/or from making guest appearances by County personnel on any national television, cable, film, news or other episodes regarding TRAP.

(e) County and Producer acknowledge that other groups, corporations, persons, businesses, or entities may wish to license the Rights. In addition to the donation of the Bait Cars, Producer agrees to donate to County and/or reimburse County for the cost of the cameras and sound equipment and the installation of such equipment in the Bait Cars. Once the afore-mentioned Bait Cars are donated to County, such Bait Cars and the equipment contained therein shall remain the sole property of County for use in its undercover operations and County shall have the right to dispose of such equipment and Bait Cars at any time and in any manner County determines in its sole discretion. County shall own all footage obtained by the Bait Cars but County shall grant Producer the non-exclusive right to use such footage in the Series pursuant to the terms of this Agreement and subject to County's approval rights set forth in this agreement. The parties acknowledge that the type of Bait Car to be donated by Producer pursuant to this Paragraph shall be consistent with the type of Bait Car that County uses in its undercover operations. County and TRAP shall have the right to approve the type of Bait Car to be donated by Producer pursuant to this Paragraph and to inspect the condition of the Bait Car before approving the use of such Bait Car in its operations and/or in connection with the Series. County shall be responsible for paying for the maintenance of each Bait Car donated to County pursuant to the terms of this Agreement after receipt of such Bait Car. Additionally, the County shall be responsible for any liability arising from the use of such Bait Cars donated by Producer and Producer makes no representations and/or warranties with respect to the condition of the Bait Cars donated to County.

(c) Profit Participation: In consideration of the Access Rights and the License granted in this Agreement by County, County shall be entitled to receive an amount equal Ten Percent (10%) of One Hundred Percent (100%) of Producer's profit participation in the Series, which shall include exploitation of the Series from any and all sources in the universe in perpetuity, including but not limited to, exhibition of the Series in all ancillary markets, including DVD and/or video sales. The profit participation definition accorded County shall be no less favorable than that accorded any other participant, including but not limited to, Producer. Upon request Producer shall supply TRAP and/or the County with any and all distribution and/or sales agreements relating to the Series.

(d) County's Clearance Expenses/Legal Fees: Producer shall pay for any and all reasonable out-of-pocket outside fees incurred in connection with clearance work on behalf of the County and/or TRAP for the Pilot, presentation and/or any Episode of the Series, provided that such fees shall not exceed One Thousand Dollars (\$1,000) for a half hour Episode. Additionally, Producer shall reimburse County for any outside legal fees incurred by LASD in connection with the Series (excluding clearance work and/or modifications to this Agreement), for the first season

and each subsequent season of the Series, if any, provided such fees shall not exceed Two Thousand Five Hundred Dollars (\$2,500) for any one season of the Series.

Such fees and costs shall be payable upon commencement of negotiations of this Agreement. Additionally, Producer agrees to reimburse County for its documented certifiable legal costs and fees incurred by the County in connection with County's submission and attempt to obtain approval from the Board of Supervisors for production and exhibition of all subsequent seasons of the Series beyond Season One, provided that such fees will be capped at Two Thousand Dollars (\$2,000) per subsequent season of the Series.

4. THE SERIES: ACCESS RIGHTS/ APPROVALS/ CONTROLS

The "Access Rights" are defined as access to the LASD TRAP Unit, including its personnel, equipment, bait car footage and facilities, subject to the terms and conditions of this Agreement. All personnel appearing in the Series shall be followed only during active duty. For the avoidance of doubt, the Access Rights do not include any access to Third Party Participating Agencies and/or Third Party Participating Agencies' personnel and/or facilities owned or controlled by such Third Party Participating Agencies. The involvement or appearance of any Third Party Participating Agencies and/or their personnel and facilities in the Series shall be subject to prior written agreement between Producer and such Third Party Participating Agencies.

(b) Producer shall be prohibited from filming and/or recording any activity (either inside or outside) of the County's custodial facilities and/or interviewing County employees and/or third parties regarding the County's custodial facilities, including but not limited to, inmates and/or conditions as part of this Series. In the event Producer violates the provisions of this paragraph, Producer shall have the obligation to submit such footage/recordings and/or other information to County.

(d) LASD shall provide Producer with introductions to and/or contact details of persons employed by LASD TRAP Unit for the purpose of arranging and recording material and conducting interviews to be included in the Series subject to Producer obtaining all necessary releases for such persons, in a form approved by the County, in its sole reasonable discretion. In order to establish an efficient line of communication between the LASD TRAP Unit staff and the Producer's production staff working on site from time to time, the LASD TRAP Unit will designate appropriate LASD TRAP Unit employees through whom all questions, requests for assistance and all other communications must be made, including requests for filming, interviewing personnel and other scheduling matters.

(e) LASD agrees to allow Producer to observe the LASD Trap Unit personnel during their investigations for TRAP and subject to LASD's personnel's consent to participate and/or appear in the Series, for reasonable periods of time, for the purpose of taking part in recordings at such times and locations approved by the LASD, in the LASD's sole and absolute discretion, including recordings at LASD premises, riding in LASD vehicles and at various locations within the Los Angeles area, all as reasonably requested by Producer and approved by the LASD, but provided that same do not interfere whatsoever with the performance of the duties of the LASD officers and LASD employees.

(f) Additionally, Producer shall be solely responsible for and shall obtain the written consent, release and permission from all non-County employees to be interviewed, utilized, portrayed or otherwise participate in the Series. Producer shall provide County with copies of all consents/releases obtained by Producer

pursuant to this Agreement prior to commencement of principal photography for each Episode or within a reasonable period of time thereafter.

(g) Producer's employees, agents and independent contractors, including but not limited to, Producer's camera crew which accompany LASD officers and/or deputies for purposes of filming the Series, are prohibited from accompanying such deputies and/or requesting permission to accompany such persons into areas that are not accessible to the public, including but not limited to, areas wherein LASD deputies gain access due to their authority as peace officers, including but not limited to, homes, ambulances, private businesses and private dwellings. Producer's breach of this paragraph shall constitute a material breach of this Agreement and County may elect, in its sole discretion, to immediately terminate this Agreement based upon such material breach.

(h) Producer will not require and/or request the LASD and/or any of its departments to perform any reconstructed scene for the purpose of production of the Series, provided that off-duty LASD officers may provide verbal descriptions of the scenes subject to Producer obtaining the appropriate releases as set forth in this Agreement. All filming and recording will be done as LASD personnel are performing their usual and customary duties, responsibilities and training; Producer accepts and acknowledges that it may not, during the course of production of the Series, put the LASD and/or the County to any expense that would not ordinarily occur in the normal operations of the LASD.

(i) Producer accepts and acknowledges that in order to protect the integrity of LASD's work and to maintain the safety of LASD personnel, the public and Producer's personnel; Producer will comply with all instructions of the LASD, the County and/or its personnel.

(j) Subject to the approval procedure set forth in Paragraph 4(m) below, At the County's and/or the Board of Supervisor's and/or TRAP's request which may be made at any time, Producer and the network agree to eliminate sensitive, privileged and/or confidential information and/or footage and/or recordings, including but not limited to, investigative techniques and/or information/scenes depicting operations which the County and/or the Board of Supervisors and/or TRAP believe, in their sole discretion, may jeopardize or interfere with the LASD's and/or TRAP's effectiveness, operations and/or mission and/or which may increase the risk of liability or injury to the County and/or the LASD and/or TRAP or be in violation of any law and/or violate individuals' and County employees' rights. Producer's failure to comply with the terms of this subparagraph shall be deemed a material breach of this Agreement.

(k) Producer may use the Property only in cases where the Property is filmed and/or recorded incidental to and for inclusion in the Series. For example, Producer may film a scene which depicts the LASD's logo and/or star on County vehicles but Producer may not place a LASD logo and/or reconstruct a scene in order to obtain footage of Property owned/controlled by the County. Producer may not create,

manufacture and/or sell any merchandise utilizing and/or based on the Property. Producer is expressly prohibited from using any hidden cameras and/or microphones unless the location(s) of such cameras and microphones are disclosed to the LASD and the LASD TRAP Unit prior to filming each Episode in which Producer intends upon using such hidden cameras and/or microphones. The parties acknowledge that hidden cameras and /or microphones will be installed by TRAP in the Bait Cars for use in the TRAP operations and in connection with the Series.

(l) The Series shall not derogatorily depict the County and/or the LASD and/or TRAP and/or their respective employees, officers and agents.

(m) No later than fifteen (15) business days prior to broadcast of any Episode of the Series, Producer will submit four (4) copies of the videotape of the applicable Episode to the following person(s) or departments for inspection, review and final approval: (i) TRAP's project director, (ii) the LASD's Media Unit, and (iii) County Counsel for the LASD. All approvals will be either given or denied within five (5) business days from receipt of the footage by the aforementioned person(s) or departments. At the County's and/or the Board of Supervisor's and/or TRAP's request, Producer and the network shall eliminate, edit and/or revise any information, footage and/or recording contained within such Episode(s) (i) which are determined by the County and/or the Board of Supervisors and/or TRAP to contain sensitive, privileged and/or confidential information, including but not limited to, investigative techniques and/or operations (other than those operations customarily performed by TRAP and are the subject matter of this Series) and/or (ii) which the County and/or the Board of Supervisors and/or TRAP believe, in their sole discretion, may jeopardize or interfere with the LASD's and/or TRAP's effectiveness, operations and/or mission and/or which may increase the risk of liability or injury to the County and/or TRAP or be in violation of any law and/or violate individuals' and County employees' rights. Producer's failure to comply with the terms of this subparagraph shall be deemed a material breach of this Agreement. All footage/film stock and/or recordings obtained by Producer pursuant to this Agreement that are not approved by the County and/or the Board of Supervisors pursuant to this paragraph shall be delivered to County on a digital format within thirty (30) days of the County's final determination requiring Producer and/or any licensee to eliminate such footage and/or recordings from the Series pursuant to this paragraph. Additionally, all unused footage and/or recordings which are obtained by Producer pursuant to this Agreement shall be delivered to County in digital format within thirty (30) days of final editing of the Series. All footage that is approved pursuant to this Paragraph and is later re-edited by either the Producer or the network shall be subject to the approval procedure set forth in this Paragraph. County shall have the non-exclusive right to use and/or produce such footage upon subpoena in connection with civil or criminal proceedings. Notwithstanding anything contained in this Agreement to the contrary, in the event Producer receives a subpoena and/or court order demanding production of footage and/or other materials obtained in a criminal proceeding by Producer pursuant to this Agreement and/or notice directing Producer to preserve

evidence related to a specific incident, Producer shall comply with such subpoenas and/or court orders and/or notices.

(n) For security purposes, prior to principal photography of any Episode of the Series, Producer shall submit the name and information regarding any of its employees, agents and/or independent contractors involved in the filming of such program. County and/or LASD shall have the sole and absolute discretion to prohibit any employee/agent of Producer from filming and/or participating in the production of any program. Producer shall limit the number of persons involved in filming any program to an amount determined to be appropriate by LASD on the particular incident.

(o) LASD will appoint an employee to advise/consult with Producer regarding the use of the Property (not technical advice) in the Series to ensure compliance with the terms of this Agreement, including but not limited to, compliance with the LASD's usage guidelines for the Property.

In the event that a protective order or other remedy is not obtained by Producer in such civil proceeding, Producer will give written notice to County of such decision and Producer will furnish only that information that is legally compelled and necessary to disclose to a party requiring disclosure pursuant to the advice of Producer's attorneys and in consultation with the County's attorneys.

### **SHERIFF'S STAR**

Always use the Sheriff's Star and the 1850 Sheriff's Star (collectively "Star") in an approved form. The Star should always be presented in the recommended style as shown in EXHIBIT "E." Changes or alterations in the Star are not allowed. Any variation must be cleared through the Los Angeles County Sheriff's Department, Headquarters Bureau.

In general, the trademark symbol, "tm", must be used with every occurrence of the logo. Also, the "tm" symbol should be used in the lower right hand corner of the Star. When the Star is used, it should be included in a footnote, if possible, that LASD is the owner of the trademark and the use of the subject mark may only be granted by license.

#### **Placement Requirements**

A minimum amount of empty space must be left between the Star and any other object such as type, photography, borders, edges, etc. The required area must be  $\frac{1}{2}x$  where "x" equals the height of the symbol when it is used by itself.

You may not combine the Star with any other feature including, but not limited to, other logos, words, graphics, photos, slogans, numbers, design features or symbols.

#### **Color Treatment**

The preferred color treatment for the Star is the four-colored application. This treatment used the color gold for the 6 tips of the star, the color blue for the circle incorporating the wording SHERIFF LOS ANGELES COUNTY, the color beige for the interior of the circle, and the color gray-blue for the depiction of the bear. If examples of the preferred color treatment are desired, please contact LASD, Headquarters Bureau.

#### **One-Color Applications**

The Star may also appear in one-color applications. All black is the preferred color. However, any color that provides sufficient contrast with the background is acceptable.

**The usage guidelines continue on the attached pages 5 and 6 of the LASD's "Organizational Identity Manual, 2002", to the extent they apply to the Series.**

### TREATMENT

CC#-23-2026 14:02 FROM LA.CO.SHERIFF.DEPT.

TO 13107866878

P.23

Cars, cars and more cars... Show me any adult without a car in Los Angeles, and I'll show you someone who has probably had his or her car stolen!

**Auto theft is big business.** It is the most costly property crime in the nation (equaling almost all other property crimes combined - 48%). Los Angeles County, regrettably, has earned the dubious title of "The Car Theft Capital of the West Coast", with over 62,000 thefts a year, at an annual cost of millions of dollars.

Stolen cars are used in all sorts of crimes, including but not limited to, murder, kidnapping, rape, robbery, drug smuggling/dealing, gang drive-by shootings, gun trafficking, money laundering, and "opportunity" theft by crooks on the street.

In an effort to combat this growing crime, and to address growing public concerns, the Los Angeles County Sheriff's Department initiated, and through the Los Angeles County Board of Supervisors, implemented the Taskforce for Regional Autotheft Prevention (TRAP). TRAP is an integrated, multi-jurisdictional, multi-agency, law enforcement taskforce to investigate, prosecute, and deter vehicle theft. TRAP is under the leadership of Los Angeles County Sheriff Leroy Baca.

What viewers will be seeing is the actual work of the taskforce detectives in action. The TRAP team spends every day making the streets of Los Angeles safe for motorists, through their deployment of camera-and-sound-equipped BAIT CARS. Los Angeles has more bait car attempts than any other city in the world.

The reality series will cull tapes from the investigations of the four distinct Regional TRAP teams. Each TRAP team is located in clandestine sites throughout Los Angeles County, where they have the ability to monitor two to three TRAP Bait Cars at a time.

The audience will watch, almost comically at times, as the TRAP criminals get in the "fixed rat trap" car and feel very comfortable that they have gotten away with a great and fun crime....and so easily.

Each TRAP episode will use interviews with detectives to help "flesh out" each featured story. These interviews will spotlight the dedication and professionalism of the taskforce detectives. Clearly, their motivation is to help keep the public safe from harm. They use the utmost caution when executing these operations because, as satisfying as it may be to take a car thief off the streets, they do not want anyone (including the alleged criminal) to be injured during the operation. The care, caution and planning will impress even the most casual viewer, proving that when it comes to earning the public trust, this multi-agency taskforce not only talks the talk but walks the walk.

#### Series Premise:

*"They get in, but they don't get out".*

**TRAP is a fast paced, half-hour documentary series that shows car thieves getting caught red-handed... on VIDEO!**

Viewers will thrill to a thrilling barrage of back-to-back videos of car thieves in action. The thieves laugh, skillfully breaking into a car, callously inured to the pain of their victims... until they realize, too late, that for all their stealth and subterfuge, they were doomed from the moment they spotted the car!

Just as the thieves are cruising around, high-fiving their success, the windows roll up, as if by magic. CLICK! The thieves find the tables turned when the car they just "stole" LOCKS THEM INSIDE, like a RAT IN A CAGE! They freak out, trying to smash the windows or re-hotwire the car so they can drive away. Some are actually crying as law enforcement personnel descend on the car. When staring down the barrel of a handgun, these crooks realize their only way out is through the Criminal Justice System!

Like other fast-paced reality shows, such as COPS, this show is relentless, with one video following another, each more entertaining than the last. Even though the end of each segment is never in doubt, what happens between the thief's approach and his arrest is always outrageously, addictively surprising!

These "rat trapped in the car" setups lead to the capture of professional auto thieves as well as some very unprofessional auto thieves who suddenly find themselves cut off from joy riding, speeding, having fun, smoking, drinking...when the doors lock, the car turns itself off and the windows roll themselves up!

The thieves are always shocked and horrified, guaranteeing a great payoff for the viewers of the show. Plus, this program has a 100% conviction rate for thieves involved in the TRAP.

Other communities have seen the added benefits of publicizing a well-run bait car operation: many thieves are DETERRED from stealing in that department's jurisdiction precisely because they KNOW an "easy mark" could be a TRAP! In this way, the LASD is confident that participating in this show will not only positively showcase auto theft enforcement efforts in Los Angeles County, but will also have a real, measurable effect in suppressing crime.

**The Bait Car and Surveillance:**

The Bait Car is a late-model-high-theft-incident vehicle. Cameras are placed everywhere within our high tech cars, which are remotely controlled and deactivated by radio signal.

The cars (and the show) benefit from state-of-the-art technological equipment, including night-vision cameras, and the most advanced audio, visual and remote operating devices - enables complicated and sophisticated undercover operations to go undetected by the cleverest of criminal groups....and also the dumbest of criminals!

The audience is a "fly on the wall" in the actual stolen car, seeing and hearing everything, courtesy of the many cameras hidden throughout the bait car. Viewers will also delight from our hidden cameras outside the vehicle for even more "coverage."

The true payoff, however, is the taskforce's superior law enforcement skills and unique ability to capture the full interior of the car on video, preserving forever the angst of the criminals once officers remotely turn the car's engine off, and automatically lock the doors and windows. It's a moment these thieves would like to forget... but one that millions of law-abiding Americans will love to watch over and over and over again!

It's "Punk'd" meets "Gone in 60 Seconds"!
